The Pirouette

VOLUME 7

SEPTEMBER 2008 — LINDSAY

It's The Start of a New Year!

And this year there are some great changes happening at our studio!

We filled the space behind the reception desk with a new Office Administrator, Michelle. She will be with us this year to run the front desk and is always available to answer all questions you might have.

We also have some new, exciting and enthusiastic teachers among us this year! Sarah Henderson from the Quinte Ballet School is excited to teach this upcoming year. As well we have our new assistant manager and teacher Danielle Chrétien A.B.A.T.D who will be sure to keep your children bopping.

We have brand new dancewear to offer everyone. We have a super cute tank top with the CDA logo and a new dance bag as well. Both are available for purchase at the front desk.

And of course for those of you who don't know, Chantal is a new mom to beautiful baby Cassandra. She was born June 7th and Chantal still made it to the recital!

The only thing that hasn't changed is our commitment to you, our parents

Competitive Spots Still Available!

We still have a some spots open on our competitive teams. If you are interested in auditioning for a spot please speak with Chantal or your teacher.

Our competitive students work

and students. We want you to leave the studio happy after every class . We want the sound of laughter to fill each of our class rooms and for each of our students to have so much fun

they don't want to leave.

Our teacher's goals haven't changed either. They will approach each class with a smile and work with all their students to help them reach their full potential. Each class will be a learning experience for the students. We want each and every student to reach for the stars

really hard to compete in three competitions each year but they have a blast while doing it. Friendships that can last a lifetime are made between the students and there is a very real sense of teamwork.

and be the best they can be.

This year will be our best year yet and we are pleased that you can join us in the fun! If you have any questions or comments contact the office at 705-340-2006 or come in before your next class and speak with un in person. Remember classes start September 8th!

Thank you for coming to Chantal's Dance Academy and for helping us be the best in the business.

NEW ALL BOYS HIP HOP!

... Register at front desk with Michelle.

If you or someone you know is interested in joining our competitive team, please speak with your teacher or with Chantal about arranging for an audition. If you are a strong dancer we may just have a spot for you!

Bring A Friend Week

For the week of September 15th all students are encouraged to bring a friend to dance class!

We know that dance is fun but to make it an even better time we have opened the classes to your friends. All students are welcome to bring one or two friends to their classes all week.

Please make sure that any friends you do bring have permission from the guardians and are wearing clean in door shoes if they don't own the proper dance shoes for the class. We also ask that they bring their health card number with them, just in case.

If your friend comes to the class and registers with us,

we will offer you 10% off your year end recital costumes!

So, get on the phone, send a text message and spread the word that from September 15th till the 20th friends can join in at CDA!

*We have new
Purple Dancer
Shorts!*

Dance Supplies

Please remember that proper dance wear is required for class. This includes the proper shoes, bodysuits and tights.

It is important to be properly dressed in class so that your teacher can see that your posture is correct and it helps to avoid any injury.

If you are in need of the proper dance wear, Sports Line on Kent street has opened up a new DANCE section! They have all the supplies you will need to keep your dancer comfortable and looking great.

If you are unsure of what to buy, ask at the front desk and we can write all that is needed down.

We also have fun dance-wear like our new purple dancer shorts that can be worn in some classes. As well new CDA Bags! (great to carry all those dance shoes.)

Take a look around the waiting area and...

Get your CDA Wear Today!!
(coming soon...Toques for winter)

Adult Classes

Attention all parents who are fun loving and looking to get into shape! We are offering adult dance classes this year!

We are doing Musical Theatre, Jazz, Hip Hop and even Tap!

The classes run all year and

if the class is agreeable to it, we will be performing in the dance recital!

These classes will be a fun, relaxed way to get into shape. You won't even realize how hard you've worked till the end because we'll be having such a blast!

And for those of you with wee ones we have a **Mommy and Me** class as well.

Sign up today and join us for some fun. See Michelle at the front desk for more information.

Volunteer's Needed

Every year we do lots of events, like the Santa Claus Parade, photo day and of course the recital! And at each of these events we need lots of help to make sure it runs smoothly. We look to you, our parents,

for this help and we hope that this year we get lots of volunteers.

We want to thank everyone who took the time to help us last year. You helped our photo day and our recital run as well

as it did and we know we couldn't have done it without you.

If you are interested in volunteering for any of our events please see Michelle at the front desk for more information.

Did you know...

- On May 24th, 1998, the greatest ever number of tap dancers gathered for a single routine at the Stuttgart City Square in Germany. Choreographed by Ray Lynch, the 6,952 dancers tapped away for 2 minutes and 15 seconds. The event was organized to commemorate the birthday of American tap-dance legend Bill "Bojangles" Robinson. In second place, as many as 6,000 tap dancers gather in New York City each year for Tap-o-Mania. They hoof their way down Broadway as part of Macy's annual Thanksgiving Day parade.
- The dance world is full of superstitions. By saying "break a leg" before a show, people are saying the exact opposite of what they hope will happen on stage. Some dancers have very precise routines for doing their hair or make-up. Others wear certain clothes before a show or keep lucky charms in their dressing rooms or backstage. Before the curtain goes up, some dancers link pinky fingers or step onto the stage with the wrong foot so that when their cue comes, they start the show on the right foot.
