SO You Think You Can Dance!!???

CDA Dance Academy's Competitive Team has had an amazing Summer working with our fabulous teachers and Jesse Weafer from So You Think You Can Dance Canada!!! He has given our dancers the drive, encouragement and excitement to get ready for the 2011-2012 Dance Season! We are also lucky enough to have had Joey Arrigo from this Season of So You Think You Can Dance Canada Do a workshop at CDA

Aside from the amazing talents of Jesse Weafer and Joey Arrigo, some of our dancers were able to participate in a live taping of So You Think You Can Dance Canada..... It was an amazing opportunity to watch the ever popular show, and get to meet several amazing Choreographers! The inspiration and drive these opportunities have given our students is incredible, and we are sure the buzz around the studio will get everyone excited about the upcoming year!!!!
