

Chantal's **Dance Academy**

How To Get Involved In COMPETITIVE

- 1. Students are chosen based on their commitment, technique, and willingness to learn in recreational classes or by audition if they are from another dance studio.**
- 2. Students need to maintain a strong commitment to the team to be selected for the following year.**
- 3. Students will dance a minimum of 3 classes and twice per week and take a ballet class for technique. The more classes you take the LESS it costs per class, so please book an appointment with Chantal to discuss the competitive options for your child.**
- 4. Competitive entry fees are set by the competition and next year need to be paid at the beginning of September. The cost is generally \$35 per routine per competition.**
- 5. Costumes are generally more expensive than recreational and range from \$100-150.**
- 6. We all have an amazing time, get to travel together as a team, sometimes stay overnight in a hotel, and the dancers have so much fun! The overall experience is rewarding, exciting, and very positive for all involved!**

Please speak with Jenn at the front desk to show your interest for next year!!! Please also let your dance teacher know, so that they can watch your technique develop for the remainder of this dance year. Students showing an interest for the 2008-09 season should consider our competitive one week summer camp in August!
