Year End Dance Recital Photographs

We are pleased to be the official photographer for your year-end Dance Recital photographs

Package's this year include 1-5X7 Group/Solo/Duet photo and 1-5X7 Individual, plus 4-4X6 Photographs for only **\$25.00 Taxes included.**

There is no need to pre-order these as each dancer will be photographed in each number he / she is participating in, including the solos. In order to speed up photography on picture day we suggest that you only have individual pictures done for the packages you intend to purchase. Extra group photos will be available to all who did not get an individual done.

In order to have a collage of a certain costume you particularly like please inform the photographer on picture day as he will need to take more than one pose.

Plus you will also be able to select from our specialty items, like calendars, posters, collages, magnets, key chains and a whole lot more on a reorder basis only.

Each reorder must be accompanied with a major credit card, Money Order or Certified Cheque.

As Payment we accept Cash, Visa, Master Card and Debit.

NO Personal Checks please.

Please post this on your bulletin board.
Thank you from the staff at Fred's
Photography.
