

October Newsletter

September has come and gone and the children are making great strides. We have finished our first unit on "All About Me", Apples, the colour Red and the letter A. Now on to October.

This month will have some exciting activities for the kids from cooking to leaf art to dress up. October's unit will look at "fall", pumpkins, the letter B and the numbers 1 and 2. Our colour for the month will be Orange.

It is now time to incorporate a good morning circle that includes a good morning song, a daily weather check and a counting tree. It will take time but hopefully at the end of the month the children will be use to the idea.

Please be reminded that **drop off and pick up** will be at the **back of the building** starting Tuesday October 5, 2010. As well, due to the unpredictable weather we are having, we are now recommending that the children have **indoor shoes** to help keep the facility clean.

Thank you

Mrs Evelyn
